

Playing lessons with Marty Bergen

Week-long Regional at PGA National in August in Palm Beach Gardens, FL

August 21-27

Tournament schedule is available at:

<http://web2.acbl.org/Tournaments/Ads/2017/08/1708097.pdf>

If interested in learning a lot thru a playing lesson with me at this tournament, give me a call at

561 625-6215 or email me at mbergen@mindspring.com

- For those who need red or gold points, last year at this tournament, playing with inexperienced students, we won 4 events.
- I am very comfortable playing with players of all levels. When I partner a student, I am happy to play whatever you prefer. Of course, if you want suggestions, I am not shy.
- When we play, I will always treat you with respect:
 - I will NEVER criticize or embarrass you.
 - I will NOT make bids that YOU will not understand.
 - When you put down the dummy, even if you misbid, I will only say “thank you.”
 - The only time I will even acknowledge an error you made is in private.
- When we fill out our convention card over the phone in advance, I will answer your questions and give valuable tips.
- For each session you play, you will receive a free extensive enlightening interactive AV online lesson with me (value \$25, choice of 33).
- I will send you helpful lesson PDFs (your choice of topics).
- After the tournament, I'll email you a helpful write-up of the deals we played plus additional valuable tips tailored to improve YOUR game.

FYI #1: If a partnership wants to “share me” (1 play, 1 kibitz), then all 3 of us discuss the hands together afterwards, that is economical and a GREAT way to learn.

FYI #2: If interested in a team game and need me to get a capable 4th or a pair who would neither get paid nor pay me, that is do-able.
