## GUEST SPEAKER PROGRAM

### 2011-2012 Season

(Sponsorships available)

#### Marty Bergen presents a Saturday

#### Workshop, Feb 18

Expert player/teacher/writer. A ten-time national

champion, ACBL Grand Life Master, and World Bridge Federation (WBF) World International Master, Marty retired from active competition in 1992 to teach and write. Bergen

is well-known for his innovative development of bidding conventions and treatments, including DONT and Bergen Raises. He has authored 47 bridge books including the all-time bestseller *Points Schmoints*.

#### Problems from Preempts

Preempts are designed to make life difficult for the opponents but sometimes they make life difficult for partner instead. Marty will teach you how to deal with preempts from both sides of the table – opponents or partner!

Learn from an expert:

- Constructive bidding over partner's preempts  
When to bid and when to be quiet
- Dealing with the opponents preempts  
How to handle 2-bids and 3-bids

Fee is \$45 (NBC members) or \$50 (non-members) which includes breakfast, lunch, one of Marty's new booklets and the **afternoon silver point (STAC) game**. The workshop starts at 9:00 and lasts until approximately 11:45. Breakfast starts at 8:30.
